

Health Reform: Yes or No?

We Say Yes!

A "Yes" Vote Means:

- ✓ Ending enormous premium increases – like the huge increases recently announced in many states
- ✓ Banning denials of coverage to children and adults with pre-existing conditions
- ✓ Restricting insurance company practices that charge higher premiums based on gender and age
- ✓ Helping small businesses so they can afford to provide decent health coverage for their workers
- ✓ Curbing health care costs so businesses can grow and provide better wages for their workers
- ✓ Preventing families from going into debt or bankruptcy when they need health care
- ✓ Covering more than 30 million people who don't have health coverage now
- ✓ Closing the "doughnut hole" so Medicare enrollees won't fall into the Medicare drug coverage gap any more
- ✓ Cutting the federal deficit by more than $100 billion over the next ten years and by many hundreds of billions of dollars in the following decade
